Natural gas
Width 12" (29 cm)

Installation accessories

VV 200 014

Connecting strip for combination
with other Vario cooktops

Optional accessories

VD 201 014

Brushed stainless steel
appliance cover

WP 400 001

Wok pan made of
multiple-layered material
with round bottom and
handle, ø 14 3/16", height 3 15/16".

Due to its diameter, do not
combine with the VL 041/040
and air baffle LS 041 000.

200 series Vario gas wok cooktop VG 231

Equipped for natural gas. Jets
supplied for conversion to LP gas.

- Special appliance for restaurant-grade capabilities in the home kitchen.
- Generous control panel for comfortable and secure operation.
- Wok burner with 17,000 BTU output. For the typical Asian quick braising and for large pots and pans.
- Electric ignition of burner. Simply press the knob, turn it and hold it there until a stable flame burns.

Cooking zones

1 three-ring wok burner.
(250–5,000 W) 850 - 17,000 BTU,
suitable for woks and pans up to
ø 12 5/8".

Features

Brushed stainless steel cooktop.
Three flame rings.
Electric ignition.
Cast-iron pan support.
