Product Notes

All specifications are subject to normal manufacturing tolerances.
 Dyelots may vary from samples.

The use of chair pads under roller caster chairs may be required in order to maintain full limited warranty coverage. Please refer to the applicable limited warranty verbiage for specific requirements. In all cases, chair pads are recommended for optimum textural performance. Absent the use of chair pads, more intensive maintenance will be required for areas in direct contact with chair caster traffic, and some degree of appearance change is to be expected.

Tandus Flooring reserves the right to change specifications and construction materials without notice due to raw material shortages or technological improvements, contact your representative for confirmation.

LifeLONG is both soft and tough. Maintains flexibility over wide range of temperatures and site conditions for the life of the carpet. Easy to install.

Antron® Legacy nylon has been certified by Scientific Certification Systems as an Environmentally Preferable Product.

Installation and Maintenance

Carpet is a textile fabric, subject to stretch and/or shrinkage. An acceptable pattern match is achievable, however, a perfect pattern match cannot be guaranteed.

To achieve best results, more time should be allowed to install patterned carpet. This styles has a definite pattern and must be installed according to pattern match procedures as outlined in Tandus Flooring installation specifications, available from your Tandus Flooring Representative.

Manufacturing tolerances on Tandus Flooring tufted carpets are:	Bow - 3/4" per 12' width
	Skew - 1" per 12' width
	Edge Straightness - +/- 1/2" variation
	Pattern Elongation - 1 1/4" per 12' length

For best side match and seam appearances, it is recommended to run seams perpendicular to external light sources.

Proper maintenance is critical to the long term performance of any carpet and should be written into the specification of a project.

Recommendations are available from your Tandus Flooring Representative.
