(Nominal 4-1/2" x 12")  
(Nominal 11.3 cm x 30.5 cm)  
3/8" thick  
Pieces per carton: 10

9" x 18" Deco  
(Nominal 8-3/4" x 18")  
(Nominal 22.0 cm x 45.3 cm)  
3/8" thick  
Pieces per carton: 3

Grout recommendation: 3/16" to 1/4" (floor and wall)

**Shade Variation:** ♦ (High)

**Trim** See below for available trim.

	Residential	Light Commercial	Commercial
Floors	X	X	
Walls	X	X	X
Counters	X	X	X

Suitable for interior and exterior floors and walls in non-freezing climates when proper installation methods are followed. Also suitable for applications requiring high compressive strength.

*Standing water and other contaminants create slippery conditions for any hard surface floor material. To avoid injuries, floor applications with exposure to these conditions require extra caution in product selection. The product shown has been sealed with a surface-coating to enhance the color. Product supplied is unsealed in natural state. Not for use on ramps.*

**Maintenance:** Proper maintenance will preserve the natural stone's original appearance for years to come. Use a neutral cleaner with a ph between 7 to 10 and avoid all-purpose cleaners or soaps containing water-soluble inorganic or crystallizing salts, harmful alkali or acids.

## Tumbled Natural Stone™ Floor and Wall Tile

What combines earthen beauty with the artistry of man? Tumbled Natural Stone! A process of cobbling and distressing gives this tile the soft rounded edges of old world stone. Yet the rustic appearance of it's surfaces adapts to design influences from South America as readily as it does those from Europe. Drawn from the same natural palette, to make coordinating floors and walls easy, are five color options and six border series in fifteen blended color variations. What's true stone, graced by the hand of man? Tumbled Natural Stone.
