Notes:

- Not recommended in wet areas unless sealed properly as part of normal maintenance. May contain areas of open or dry seams that can appear dull under reflective light.
- Might contain dry seams, pits, fossils, and glass veins that are filled at the factory or during installation. Since these voids can sometimes lose their fillings, they should be refilled as part of normal maintenance.
- A sealer is recommended.
- White thin-set or mortar is recommended.

Natural stone products inherently lack uniformity and are subject to variation in aesthetics (color, shade, finish, etc.) and performance (hardness, strength, slip resistance, etc.). Natural stone products do not meet minimum coefficient of friction thresholds recommended by safety standards setting organizations. No warranties, express or implied, are made regarding the information, recommendations and descriptions contained herein. Check local building codes prior to specification or installation to verify that product technical characteristics comply with required parameters.

NATURAL STONE COLLECTION

Medallions

Arbor Medallion featured with Jurastone Beige limestone.

Cover photo features Arbor Medallion with Jurastone Beige limestone.

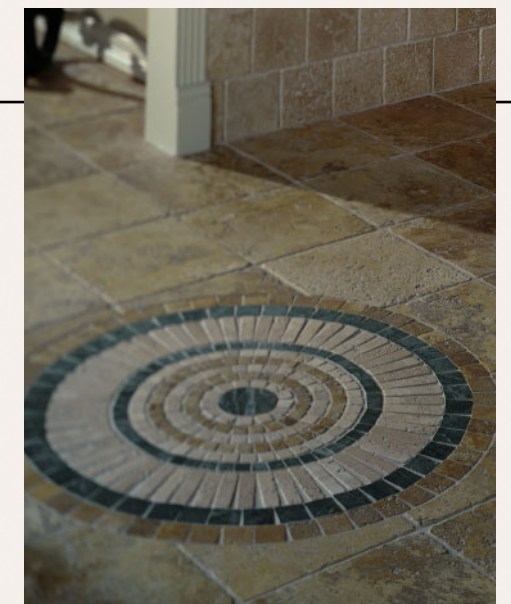

Floral Medallion featured with Serrano Yucca porcelain.

Florentine Medallion featured with Breccia Oniciata marble.

If you desire a dramatic exclamation point that will complement and draw attention to your personal style, look no further than Medallions from Daltile. Seldom will you find carefully crafted and intricately arranged patterns of stone and porcelain tile on such a grand scale. This series of impactful pieces was inspired by the works of art that grace the finest of homes. Now you can add a similar sense of wonderment to your home.

Kaleidoscope Medallion featured with Sienna Gold travertine.

Tumbled Stone Medallions

These tumbled stone masterpieces have the romantic look of the Old World. Natural stone pieces are tumbled to give them a weathered, time-worn appearance, then arranged in captivating patterns with the same care that craftsmen used centuries ago. These finished works bring sophistication to any room and coordinate with other Natural Stone Collection products.

Star Burst - Tumbled Stone Medallion
36" diameter

Medallion features: Sand, Walnut, Midnight, and Rojo tumbled natural stone.

Kaleidoscope - Tumbled Stone Medallion
32" diameter

Medallion features: Mediterranean Ivory, Sienna Gold, Antalya Dark and Emerald tumbled natural stone.

Mosaic Stone Medallions

The soft graceful curves of mosaic stone medallions are the perfect example of elegance and intricacy. Like strokes from a master artist's brush, individual byzantine-sized travertines and marbles are brought together to form dramatic designs and colorful patterns of surprising beauty and complexity.

La Flora - Mosaic Stone Medallion
36" x 36" and 48" x 48"

Medallion features: Crema Marfil, Emperador Dark and Rojo Alicante tumbled natural stone.

Water Jet Medallions

Designed to coordinate with products from the Daltile Natural Stone Collection, as well as porcelain and ceramic products from the Daltile Residential Catalog, water jet creations are notable for their intricate design. High-pressure water is used like a laser to cut stone and glazed porcelain materials into a variety of eye-catching shapes. These forms are then fitted together to create patterns of breathtaking beauty.

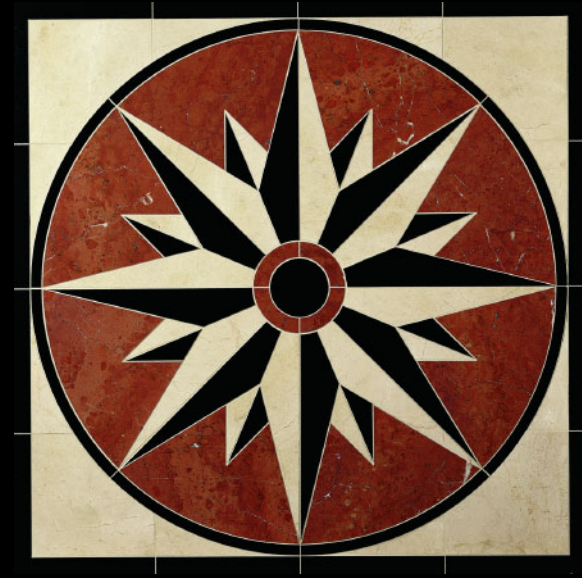

Florentine - Water Jet Medallion
32" x 32", 36" x 36", and 42" x 42"

Medallion features: Sienna Gold travertine, Emperador Dark marble, and Pietre Vecchie Champagne Beige porcelain.
