Epp

Design: Paul Epp

The Epp chair is suited for corporate, conference, hospitality, and guest/reception areas.

Frame:

Molded rigid polyurethane reinforced with glass fibre.

Seat and Back:

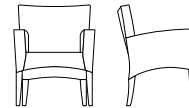

Molded soft polyurethane foam and dacron with a webbed suspension seat. Two upholstery options are available: fully upholstered or a combination of upholstery with maple, cherry or mahogany wood veneer back available in standard Nienkämper stains.

Base:

Solid maple legs available in standard Nienkämper stains, natural or ebonized.
