

Construction	Ultraweave	Yarn Content	Antron Legacy® nylon type 6,6 (an Environmentally Preferable Product certified by Scientific Certification Systems)
Width	12' 6" (13'6" width available)	Average Yarn Pile Height	.179"
Tufted Yarn Weight	31 oz./sq. yd.	Average Yarn Density	6,034
Approximate Finished Weight	65 oz./sq. yd.	Primary Back	Polypropylene
Gauge	5/64	Secondary Back	Action Bac™
Pattern Repeat	18.75" (W) x 40" (L)	Product Collection	ARCHEOLOGIQUE COLLECTION
Stocking & Custom Colors	24 stocking colors. Custom colors available at minimum yardage. (Please contact your local Atlas sales representative)		
Alternative Backing Systems	This product is available with PERMIAN BAC™, an acrylic-based backing system (no minimum for standard width), PERMIAN BAC™,MP providing moisture protection (min. 360 lineal feet), FIRMA CUSHION BAC™ Polyurethane carpet backing (min. 100 lineal feet),ELEMENT CUSHION BAC™ Polyurethane carpet backing (min. 100 lineal feet), TERRA CUSHION BAC™ Polyurethane carpet backing (min. 100 lineal feet), GEO BAC™ Polyurethane carpet backig (min.100 lineal feet), and CAMBRIAN BAC™ Polyurethane carpet backing (min. 100 lineal feet). Standard overages apply. ™ Trademark of Atlas Carpet Mills.		
Pattern Match & Installation Guidelines (Detailed installation instructions are available)	As with all patterned carpets, a perfect match at the seams may not be obtainable. However, a reasonable pattern match may be achieved by qualified and experienced professional installers utilizing power stretching and stay nailing techniques. Also, carpet should be brought into the space and unrolled, 24 hours prior to installation for proper conditioning. All seams and cut edges must be sealed with an Atlas approved "premium low-voc" seam sealer containing UV enhancer.		
General Guidelines	All certified carpets of Antron® Legacy nylon meet strict performance and construction standards of the Invista performance standards program assuring the highest quality carpet. The type 6,6 nylon polymer of Antron Legacy® provides superior resistance to crushing, matting, stain penetration and wear		
Quality Assurance	All certified carpets of Antron® Legacy nylon meet strict performance and construction standards of the Invista performance standards program assuring the highest quality carpet. The type 6,6 nylon polymer of Antron Legacy® provides superior resistance to crushing, matting, stain penetration and wear		
Soil Retardant	DuraTech® soil resistance treatment remains on carpets of Antron® nylon for over one million foot traffics.		
Static Control	Antron® Legacy nylon carries a limited lifetime antistatic protection warranty not to exceed 3.5kV.		
Easy Trim™	U.S. Patent No 6,890,615 B2. Atlas' Easy Trim™ feature, marked by a black line, provides a small linear gap, allowing the installer to trim both edges back to the patterns, without damaging or cutting any of the yarns within the pattern.		
Flammability Ratings	ASTM E668 Flooring Radiant Panel Test: Class I. ASTM E662 NBS Smoke Chamber Test: < 450.		
Indoor Air Quality	Certified by the Carpet and Rug Institute and assigned the Green Label Plus certification number GLP 2306.		
NSF-140 Certification	All Atlas BROADLOOM is NSF-140 certified, Gold.		
Environmental Position	Atlas BROADLOOM, by total weight, contains 10% <u>post consumer recycled</u> content, Atlas uses Invista's Antron® Legacy nylon type 6,6 which is an Environmentally Preferable Product. Further, Atlas participates in a reclamation program that collects and reclaims used carpet and carpet tiles, eliminating landfill disposal. All of the above contribute toward LEED points. Broadloom styles are manufactured with LOMAX™ Technology utilizing renewable energy (landfill gas) in the production of Styron latex carpet backings to reduce greenhouse gas emissions		
Warranty	Antron® Legacy nylon carries a limited 10-year warranty. See written warranties.		
Additional Specification Information	Chair pads are highly recommended under roller casters to preserve appearance and prevent accelerated wear.		
Trademarks	Antron® and the Antron® family of marks and logos are trademarks of INVISTA.
