king · AC-BK · 50" H x 84" W x 86" L

Taking our cue from East-meets-West design that establishes the distinctive look of our American Bungalow Collection, we've added a bed frame that delicately manipulates positive and negative space. In Asian traditions meaning is revealed in the tension created by opposites. We have realized our vision of this idea in the Bungalow Bed by juxtaposing gently curved half-moon caps against a floating headboard. The effect brings to mind Kanji calligraphy and the Torii gates found at Japanese shrines.
