american bungalow dining sideboard

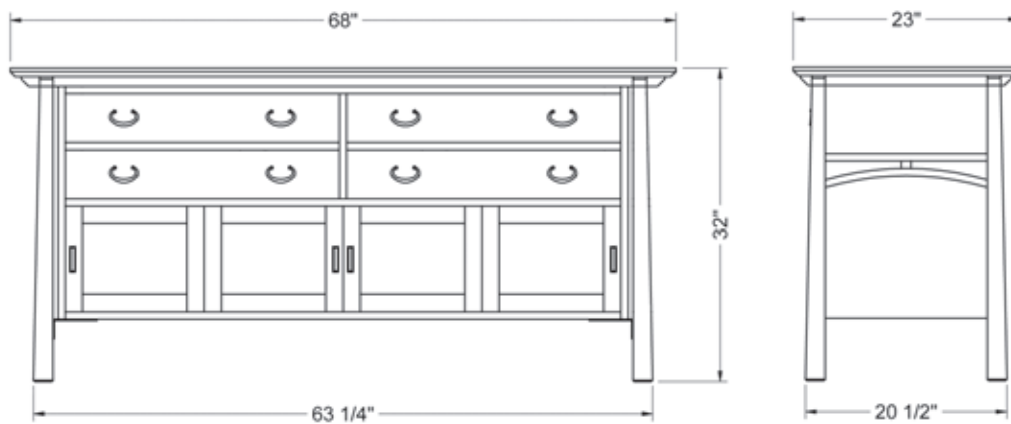

AC-SB · 32"H x 68"W x 23"D

Built-in dining hutches were used in bungalow homes to conserve space and display serving pieces. Our freestanding sideboard provides ample storage for placemats, glassware and tableware without overwhelming a room. By suspending the case from a tablelike frame, light passes through the sides, for a deceptively weightless look. Japanese wrought-iron pulls offset the warm cherry tones.
