corner cupboard with glass doors

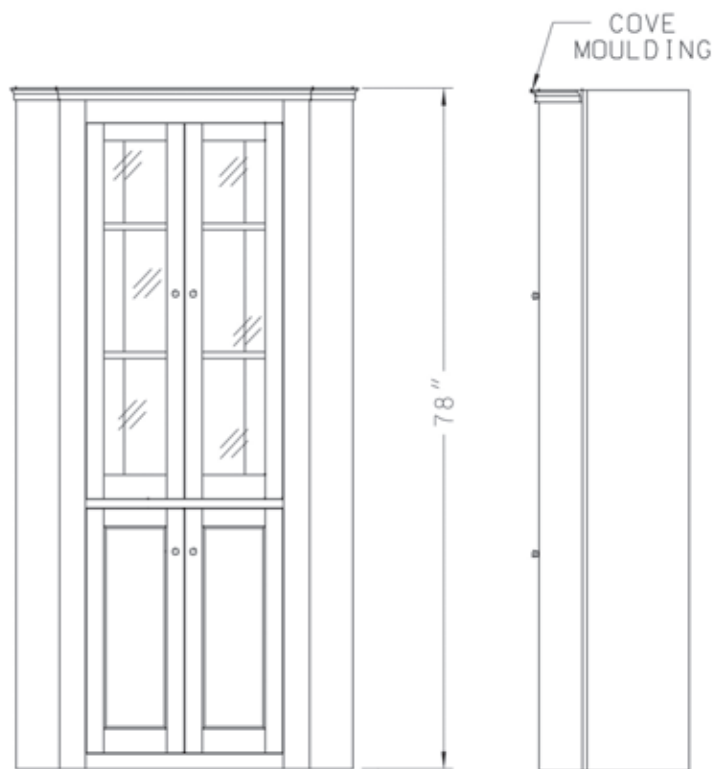

CCD · 78"H x 39"W x 17"D

Keep your most precious tableware dust-free in our new glass-fronted Corner Cupboard, previously available by custom order only. Built to the same precise specifications as the open Corner Cupboard, it provides a visual anchor for a dining room or study, with generous storage space in a compact footprint. Both require just 27" of wall space from the corner to each side. In each version, plate grooves run along the sides and back of three fixed shelves, two above and one inside the lower cherry-paneled doors. The glass-paneled doors hinge fully open for easy access.
