Edo Nine Drawer Dresser

AC-C9 · 30"H x 22"W x 66"L

Without adding fussiness or unnecessary same basic case as the Edo Open Sideboard, lending-truth to the notion that great things can be made from simple beginnings. The grain-matched surface stretches over five feet in length, more than enough room to display your collections without overtly commandeering your space. Simple walnut drawer pulls and traditional studio case work construction make this a legacy piece.
