edo sideboard with doors

AC-C3D · 30" H x 22" W x 66" L

What began as the Edo Open Sideboard developed into several iterations. This piece features the same dovetail drawer construction with contrasting walnut pulls and surface and side inlay, but covers the space underneath with sliding doors. In true Thos. Moser tradition, every detail of this case exists to serve a function and will bear up to years of daily use. Its simple lines enhance rather than detract from other classic designs.
