

Seven Drawer Side Chest
DSC7 · 32"H x 48"W x 20"D

We designed the exquisite proportions of this dresser to meet a customer's special needs, and the cabinetmakers involved recommended we add it to our standard offerings. The 3-over-2 drawer pattern creates a sense of lightness atop the two wide bottom drawers. Matched grain patterns flow across the drawers, giving the piece a truly sculptured quality. Exposed dovetail joints punctuate the top and the solid ash drawer sides.
