Our Wing Seating Collection is poetry as furniture, marrying our hallmark aesthetics with true comfort. Inheriting its fluid silhouette from an 18th-century Queen Anne style, the Wing Chair and its newest companions, the Settee and Sofa, bring fresh relevance to an old form. Alone or en suite, the sculptural perfection of each piece pays tribute to how artistic seating can be. Ergonomically crafted to cradle the sitter's spine, this collection would be comfortable in its own right—the addition of upholstery makes it luxurious. Carved, solid cherry armrests gently fold over at just the right height and are polished smooth to the touch. Four-inch thick cushions are covered and welted in the fabric or leather of your choice.
