

MARMARA TILE SPECIFICATION

Construction	Interloop	Yarn Content	Antron Lumena® solution dyed nylon type 6,6 (an Environmentally Preferable Product certified by Scientific Certification Systems)
Tufted Yarn Weight	26 oz./sq. yd.	Average Yarn Pile Height	.126"
Approximate Finished Weight	101 oz./sq. yd.	Average Yarn Density	6882
Gauge	5/64	Carpet Tile Size	50 cm x 50 cm
Approved Installation Methods	Quarter-turn, Brick Monolithic, Multi-directional.	Product Collection	MEDITERRANEA TILE COLLECTION
Custom Colors	Available at minimum yardages. Please allow a 6% overage.		
Backing Systems	Atlas Polyurethane cushion tile backing system. Approximate backing thickness is 0.20 inches.		
General Guidelines	Chair pads are recommended to protect seams and deter accelerated wear in areas where casters chairs are used. Walk-off mats are recommended at all entrances to minimize soiling. This carpet tile is intended only for use as a floor covering. Atlas will not assume any liability when this carpet tile is used in any other manner.		
Quality Assurance	All Antron® Lumena certified carpet tile meet strict performance and construction standards of the INVISTA™ performance standards program assuring the highest quality carpet tile. Antron Lumena® solution dyed, type 6,6 nylon polymer, provides superior resistance to crushing, matting and wear.		
Soil Retardant	Duratech® soil resistance treatment provides superior soil resistance.		
Stain Resistance	Antron Lumena solution dyed nylon carries a limited lifetime warranty against staining.		
Colorfastness	Antron Lumena solution dyed nylon carries a 10 warranty against color fastness to light.		
Durability	Antron Lumena® solution dyed nylon carries a Limited 10-year warranty.		
Static Control	Antron® Lumena nylon carries a limited lifetime antistatic protection warranty not to exceed 3.5kV.		
Flammability Ratings	ASTM E648 Flooring Radiant Panel Test: Class I, ASTM E662 NBS Smoke Chamber Test, less than 450.		
Indoor Air Quality	Certified by the Carpet and Rug Institute and assigned the Green Label Plus certification number GLP1133.		
Environmental	Atlas carpet tiles are manufactured with 24% of the total weight being post industrial recycled content. Atlas styles with INVISTA 's Antron® Lumena solution dyed nylon type 6,6 which is an Environmentally Preferable Product. Further, Atlas can provide certified reclamation of carpet being replaced. All of the above contribute toward LEED points.		
Warranty	Antron® Lumena nylon carries a limited 10-Year Wear Warranty. See written warranties.		
Additional Information	Pattern lines, inherent in the pattern and construction of these products, which may be visible lengthwise or widthwise, are not considered a manufacturing defect. Watermarking or shading, a pile reversal phenomenon that can occasionally occur, regardless of fiber type, is not considered a manufacturing defect. The mill reserves the option of making minor modifications in specifications when necessary in order to improve performance or to accommodate changes in material supply or manufacturing processes.		
Trademarks	Antron® is a registered trademark for carpet fiber. DuraTech® is a registered trademark for soil resistant treatment.		
© Copyright	This pattern is protected under federal copyright law and may not be duplicated without Atlas' express written permission.
