Gioco®

FACT SHEET

This youthful and lighthearted design is aptly named Gioco®, which is Italian for “game”. In addition to its game-like puzzle piece design it also plays visual games with your eyes. In one direction the design appears to be negative in depth but when it’s reversed it changes to a positive version. You decide which direction is right for your space!

	US UNITS	METRIC UNITS
Total Weight	21.0 oz PLY 14.0 oz PSY	651 g PLM 474.4 g PSM
