

Personal Underline®

The big gurus in Marketing say,

“This personalized light leverages the feature/benefit attributes of the previously launched and award-winning underbin/undershelf Underline light to create a portfolio offering in the energy saving T2 lighting sector.”

People who see it simply say,

“Way cool.”

details®

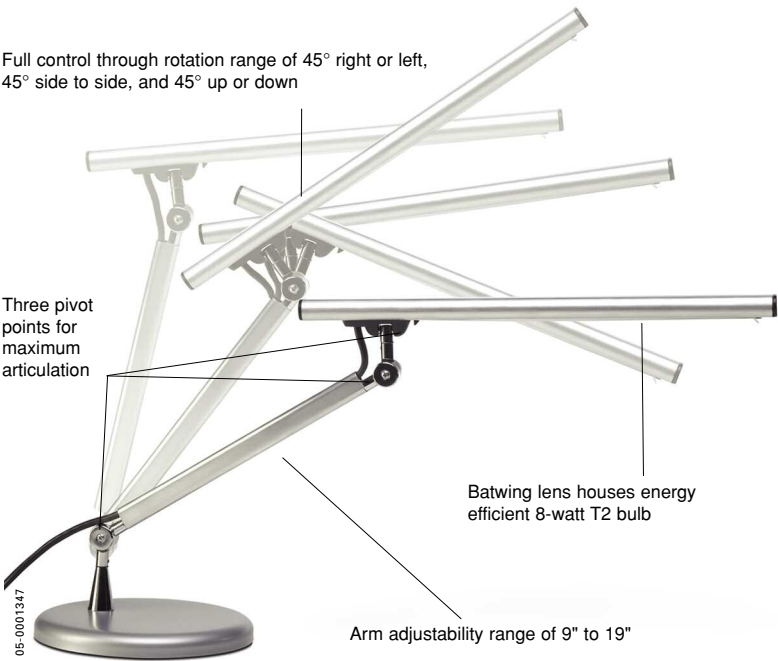

Personal Underline® Task Light.

Energy saving T2 technology in one sleek light.

You might say that Personal Underline is the fraternal twin of the light that set a new workplace standard over the past five years: underbin/undershelf Underline. Renowned T2 energy efficiency. Same superb optical performance. And every bit as sleek.

Just smaller.

Choice of five applications.

Obligatory and important
basic feature information.
