

SOTO

Everything you need to know in order to order.

SOTOTM
STATE OF THE OFFICE

A Steelcase Company

details[®]

SOTO™ Tools that help the workplace and its workers come together.

Each of the SOTO solutions on the following pages works equally well on freestanding furniture or on c:scape™ furniture from Steelcase.

The tools which integrate with c:scape are precisely designed to fit the geometry of c:scape's drawers, shelves and architecture.

The symmetry of SOTO links work, workers, and the workplace.

SOTO on freestanding furniture or
c:scape™ furniture from Steelcase.

Rail

- Any length Rail supports many SOTO shelf and worktool combinations with clean lines and quiet aesthetic while keeping items up and off the worksurface
- 1" clearance between table and rail for cable management
- Clamp onto worksurfaces or materials up to 2" thick
- Flush with top of worksurface
- Rubber feet under clamps ensure a tight fit without marring the worksurface
- Clamp mounting brackets included

Specifying Hints

- Requires a minimum worksurface depth of 18" inches for stability
- Not applicable for glass surfaces
- 3 1/4" clearance required under worksurface to accommodate mounting clamp
- Each clamp requires a 2" footprint above worksurface
- Allow for 2" installed behind worksurface for rail mount. Allow for 3 3/4" to install rail
- Worksurface must be able to support 2.1 lbs. per inch of worksurface width

c:scape™ furniture from Steelcase.

Shelves

- Designed to reclaim worksurface space, support the behavior of piling, and provide a place for personal objects or technology with clean lines and quiet aesthetic
- Supports many configurations of SOTO worktool boxes
- Shelves are able to accommodate boxes on top or underneath
- Able to mount underneath 8" Display Shelf
- 3" shelf holds 22 lbs., 6" shelf holds 30 lbs., and 10" shelf holds 40 lbs. of material per shelf
- Ships with Rail mounting hardware

Specifying Hints

- 3" Shelf accommodates Tool Box and Utility Box
- 6" Shelf accommodates Storage Box Set of 3
- 10" Shelf accommodates Pile Box, Diagonal File Box, and Personal Box
- 10" Shelf accommodates stacked Pile and Personal Boxes
- All SOTO Shelves allow for 2 $\frac{7}{8}$ " between worksurface and bottom of shelf

SOTO on freestanding furniture or c:scape™ furniture from Steelcase.

Pile Box

- Ideal for supporting the behavior of piling work and managing both active and anticipated work
- May be used individually, stacked horizontally or criss-crossed. Boxes interlock when stacked horizontally
- May be used freestanding on worksurface or utilized on 10" Shelf
- Fits inside c:scape furniture drawers and on shelves
- Small indent allows user to easily view materials while boxes are stacked
- Accommodates letter size paper or files
- Freestanding only
- High gloss finish

DSSPB

0.7 lb.
W12 $\frac{1}{4}$ x H2 x D9 $\frac{1}{8}$
Arctic White, Black

Landscape Letter Box

- Ideal for supporting the behavior of piling work and managing both active and anticipated work
- May be used individually or stacked horizontally. Boxes interlock when stacked horizontally
- May be used freestanding on worksurface or utilized on 10" Shelf
- Fits inside c:scape furniture drawers and on shelves
- Open front allows user to easily view materials while boxes are stacked
- Accommodates letter size paper or files
- Freestanding only
- High gloss finish

DSLLB

0.8 lb.
W13 $\frac{3}{4}$ x H2 x D9 $\frac{1}{8}$
Arctic White, Black

Tool Box

- Sturdy box for pens, pencils, Post-it® notes or any other small office tools
- Fits inside c:scape furniture drawers and on shelves
- Freestanding only
- High gloss finish

Specifying Hints

- Translucent removable insert keeps pens separate from Post-it® notes

DSTB

0.3 lbs.
W3 $\frac{1}{4}$ x H3 $\frac{1}{2}$ x D3 $\frac{1}{2}$
Arctic White, Black

Utility Box

- Utilize on 3" Shelf, inside Personal Box or on worksurface
- Fits inside Display Shelf channel
- Fits inside c:scape furniture drawers and on shelves
- Can be used individually or stacked horizontally

SpecTip For use with freestanding furniture.

Personal/Modesty Screens

See Steelcase c:scape/media:scape electronic catalog (SCX) for color availability, pricing information and ordering.

- Tackable and user moveable
- Provides variable privacy when and where it is needed
- Can be used with Rail
- Can be mounted either above the worksurface for visual privacy or below Rail for modesty
- Brackets come attached to the screens and are for all applications. Brackets clip into the rail

Specifying Hints

- Available in two heights and three widths to accommodate varying levels of privacy
- Height is measured from the top of the mounting surface to the top of the screen
- Gap is 1" between Personal/Modesty screen and mounting surface
- When using COM fabric, it is recommended that nonpatterned fabric be used to provide a consistent visual between adjacent screens, and from one side to the other

Proof of the time-honored truism:
the whole is greater than the sum of the parts.

And oh so sustainable.

The entire* SOTO™ collection is designed
to meet silver Cradle to Cradle specifications.

SOTO™ Tools that help the workplace
and its workers come together.

Each of the SOTO products on the following pages
works exclusively and seamlessly with the architecture
of Steelcase c:scape™ furniture. Each bracket is precisely designed
to fit the geometry of c:scape's architecture.

SOTO on c:scape™ furniture.

FYI® Single Flat Panel Monitor Arm with c:scape Bracket

- Healthier viewing reduces eyestrain and promotes good ergonomic health through stress-free posture
- Easier on-screen information sharing
- Supports monitors weighing 5 – 20 lbs.
- Built-in mechanism so the user can easily counterbalance the monitor
- 4" minimum and 24" maximum focal adjustability range
- 11½" vertical adjustment range
- 20° backward tilt
- 30° forward tilt
- 160° panning range
- 200° lower arm rotation
- 360° upper arm rotation
- Rotation allows for landscape or portrait viewing
- Includes monitor arm and mounting bracket
- Cable management included with the arm
- An anti-dislodgement feature is included
- Additional screw included to provide monitor security
- Quick-Connect™ capability for easy connection (or disconnection) of a monitor
- Not intended for touch screen applications

Specifying Hints

- Each Monitor Support Arm includes 75mm and 100mm VESA mounting plate and tilt knuckle
- Freestanding c:scape tables must be tethered to accommodate a Flat Panel Monitor Arm

DFPASINGLECS

15 lbs.

W14 x H15

Platinum

A collection of connected worktools.

Sure each SOTO worktool works SOLO.

But the true beauty (literally and figuratively) lies in SOTO's symmetry. The entire collection works as a cohesive set of tools – nothing piecemeal here – designed to link work, workers, and the workplace.

Further, SOTO helps workers streamline and organize their *anticipated* work. And it enhances action on *active* work.

Work. Make it a moving experience.TM
