ADAPTIVE LOUNGE

Coupe

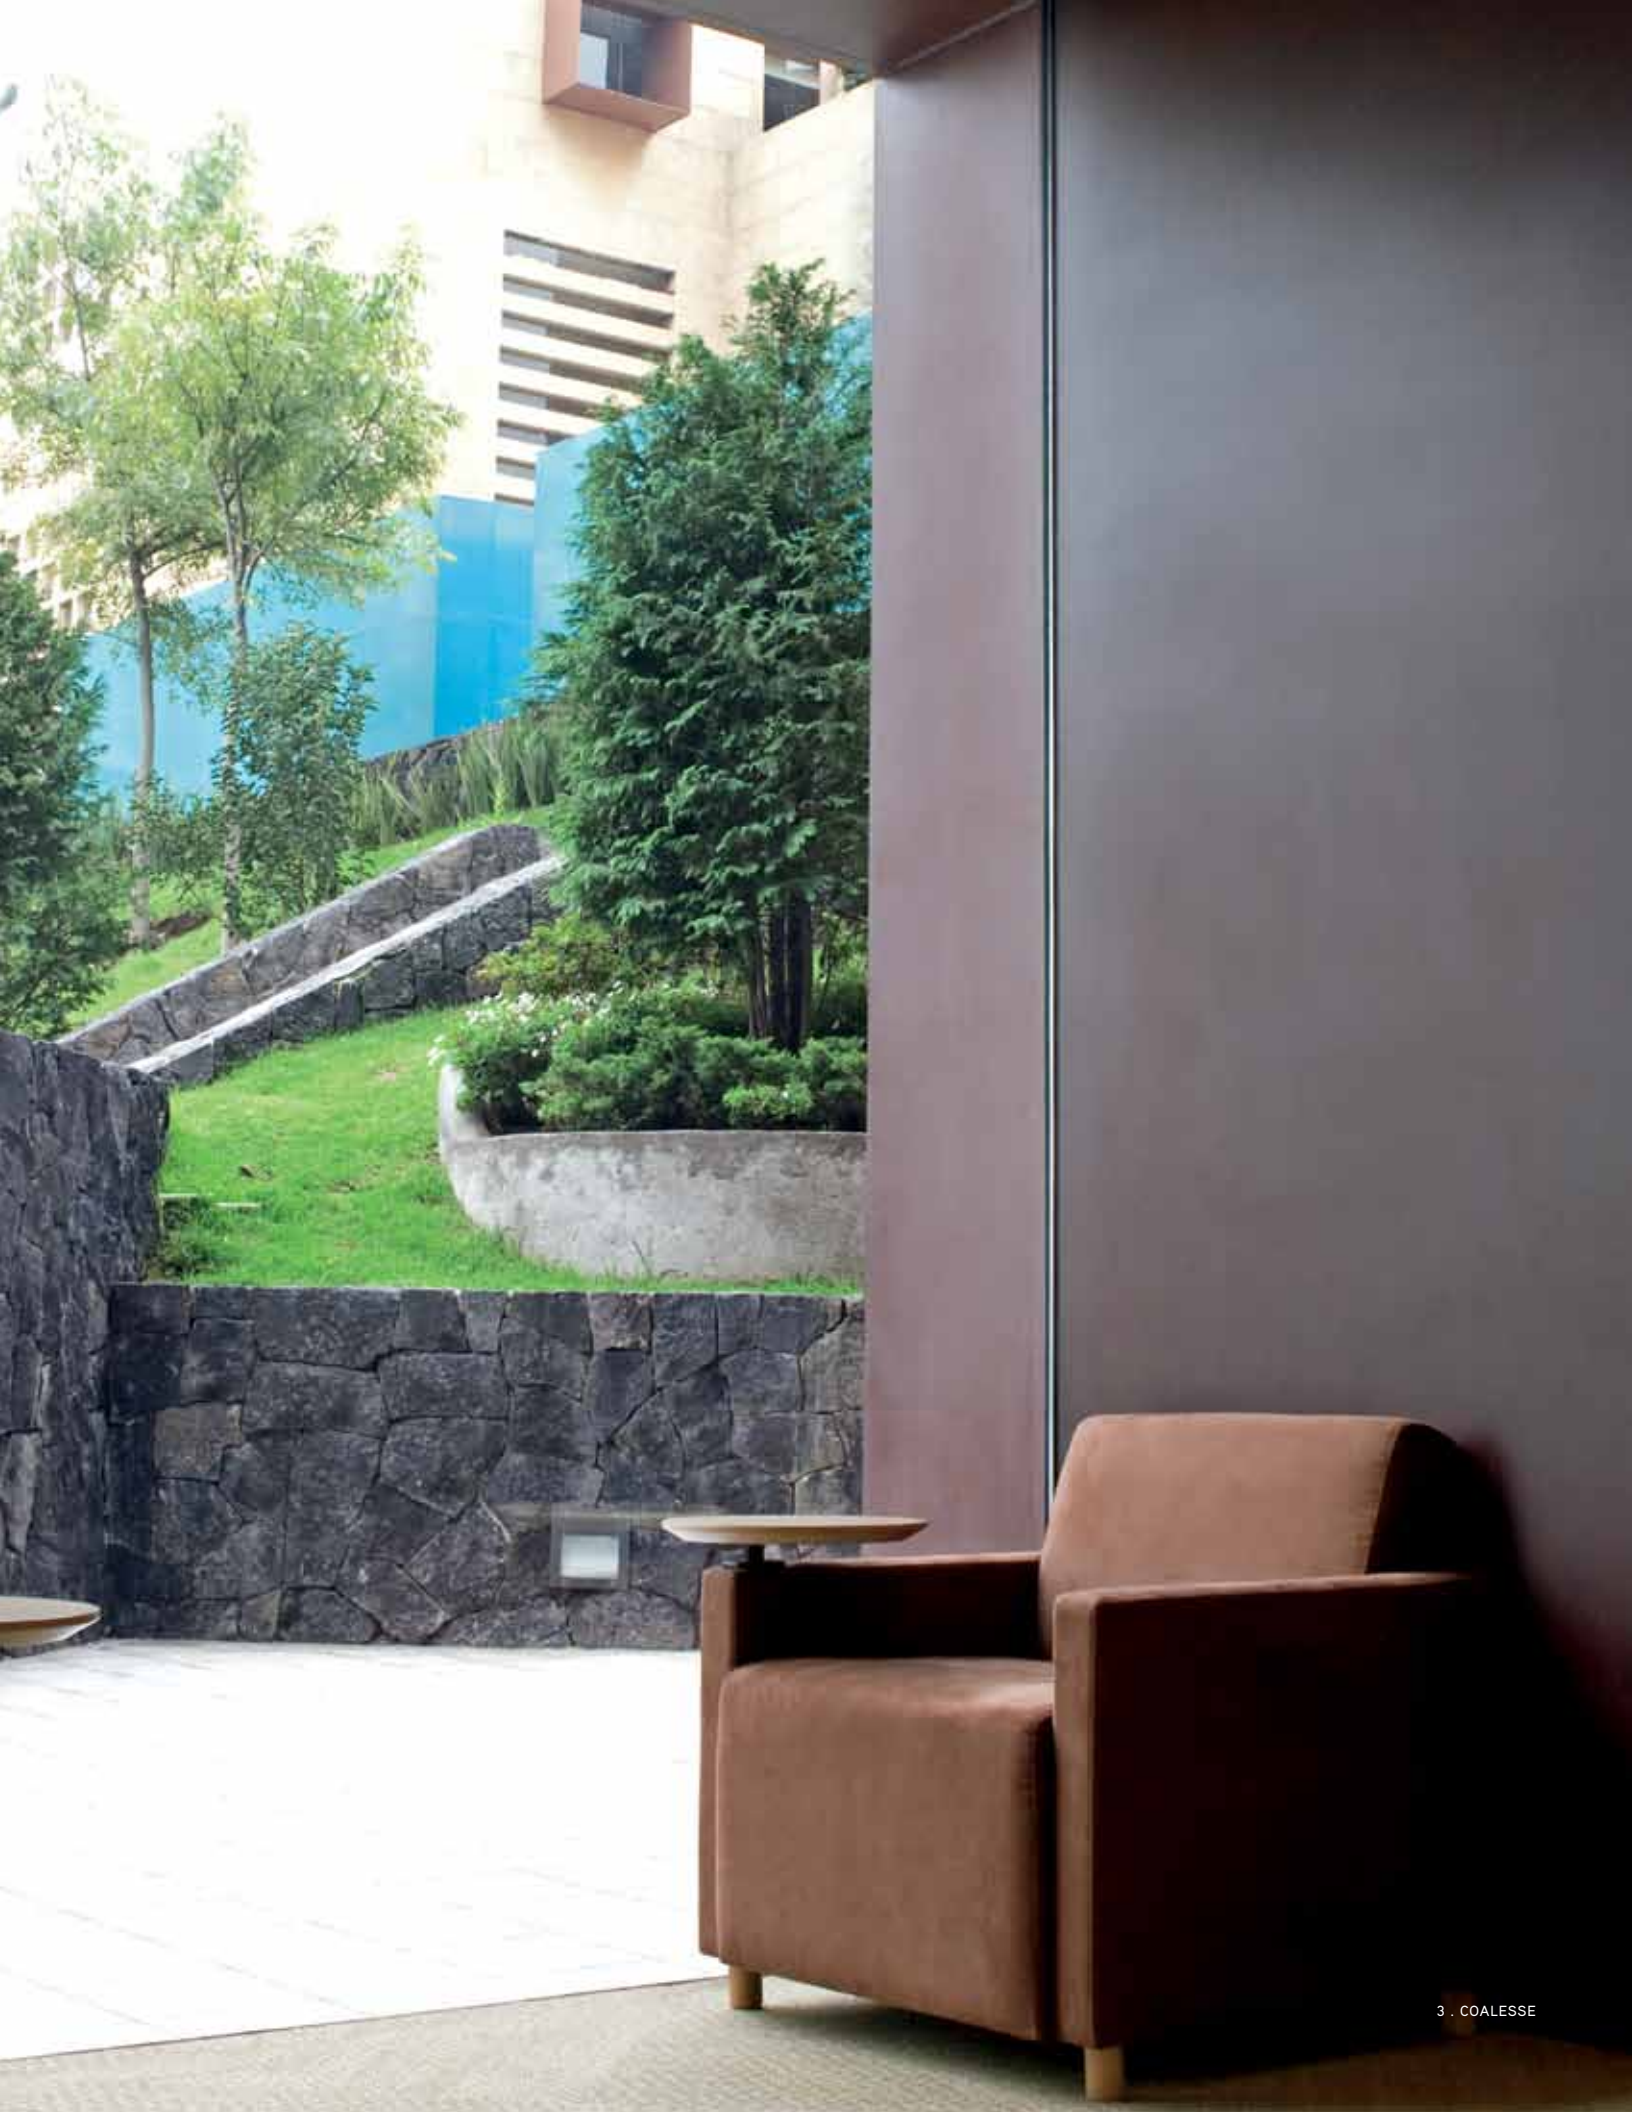

TIMELESS DESIGN

The Coupe Lounge collection provides a fresh new look at the classic tuxedo chair. It offers versatile lounge seating that is adaptable to multiple environments and spatial needs.

The collection provides elegant comfort and timeless design from intimate environments such as lounge and touchdown areas to large open spaces. Crisp lines and top-stitch upholstery seams allow for designer expression through a numerous array of textile selections and leg detail options.

Coupe can be specified in contrasting fabrics for limitless design possibilities. Legs are available in wood, brushed aluminum, powdercoated and acrylic.

"It's the little details that are vital. Little things make big things happen."
_John Wooden

Take Coupe to a more sophisticated level by wrapping the exterior body in wood veneer panels, adding warmth and elegance to almost any setting.

SOPHISTICATED DETAIL

Coupled with the fun, monolithic ottoman, Coupe lounge seating is versatile in decor and functionality. Coupe is also available with casters and tablet arms for collaboration areas. From the boardroom to the family room, Coupe is playful, sophisticated, and can adapt to almost any environment.

The entire collection is environmental-friendly with PBDE-free foam and plywood tab construction that reduces waste of raw materials.

DETAILS

Coupe Lounge is built using our award-winning plywood tab construction which guarantees long-term durability. Available in two scales, standard and grande, Coupe's statement of line includes lounge, two and three seat sofas, and an ottoman.

The smaller scale with a mere 28-inch footprint accommodates tight spatial environments. Grande versions offer full 3 inches more seat width.
