Montageanleitung - CPU-Halter

Assembly instruction - CPU-holder

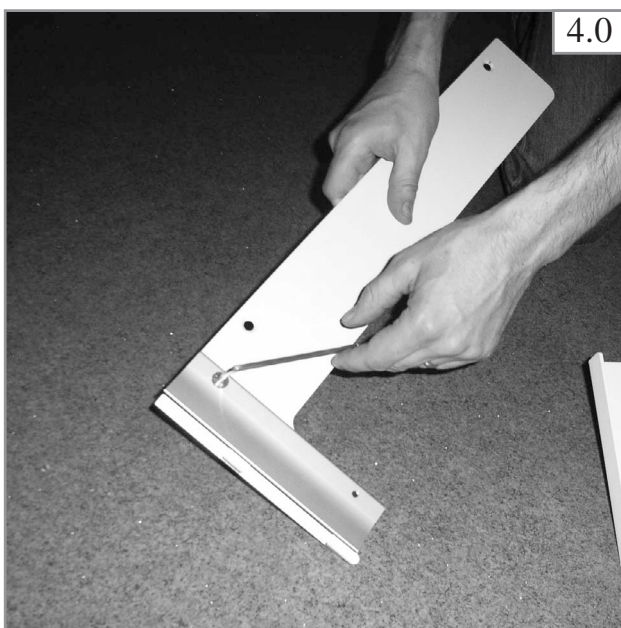

Notice de montage - étagère UC

Haltehook einhängen.
Suspend fixation.
Accrocher fixation.

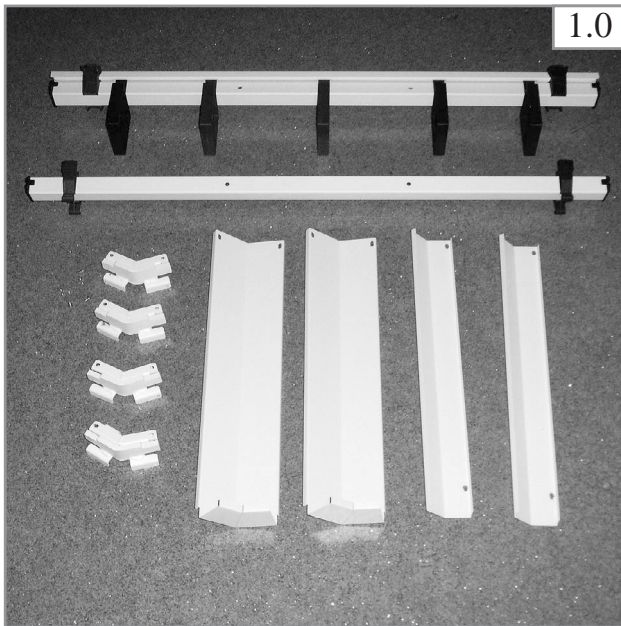

Haltehook festschrauben
Fasten fixation
Visser fixation

FreeWall2

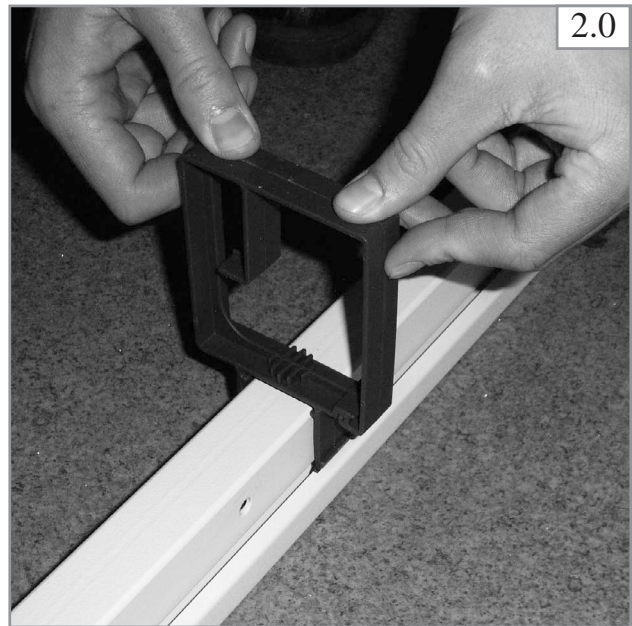

Montageanleitung - Verkettung 45°

Assembly instruction - junction 45°

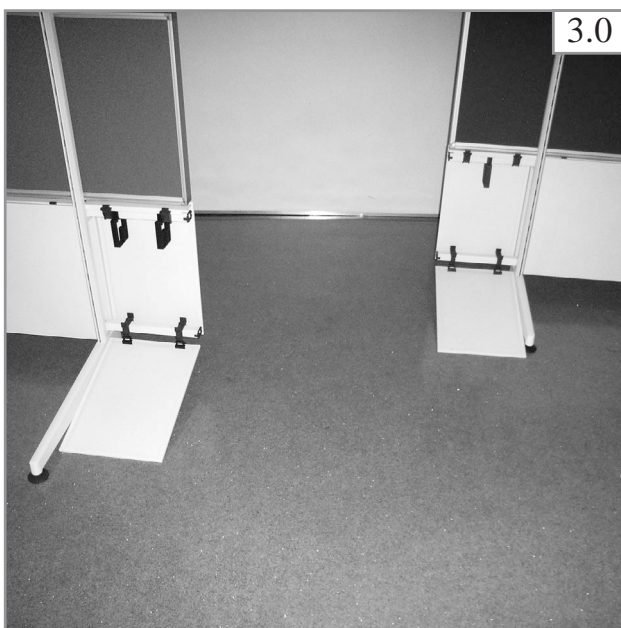

Notice de montage - liaison 45°

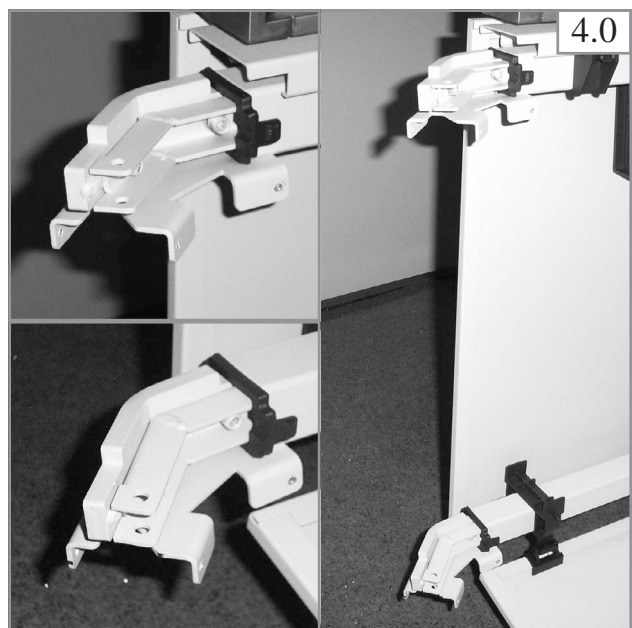

Verpackungsinhalt Verkettung 45°.
45° junction packaging contents
Contenu de l'emballage Liaison 45°

Kabelträger einklipsen.
Attach cable brackets.
Fixer les supports de câbles.

FreeWalls ausrichten und Kabelblenden öffnen.
Align FreeWalls and open cable covers.
Aligner les FreeWalls et ouvrir les cache-câbles.

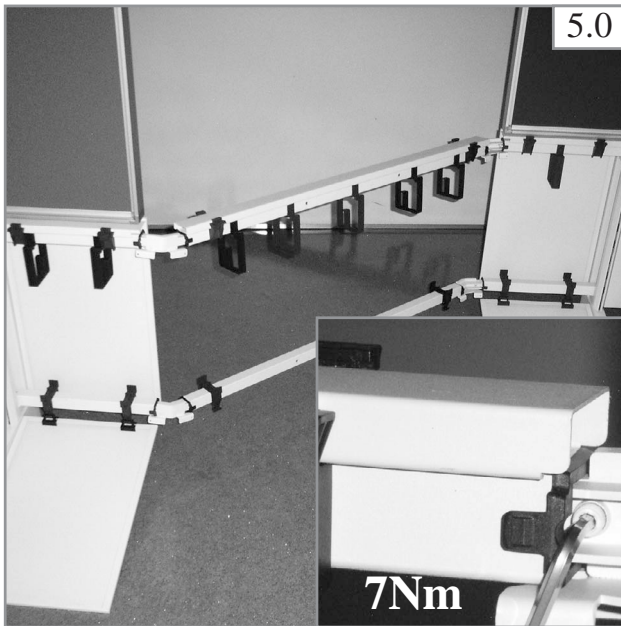

Verbinder in Profile einstecken.
Insert connectors into profile.
Introduire les connecteurs de liaison dans les profilés.

FreeWall2

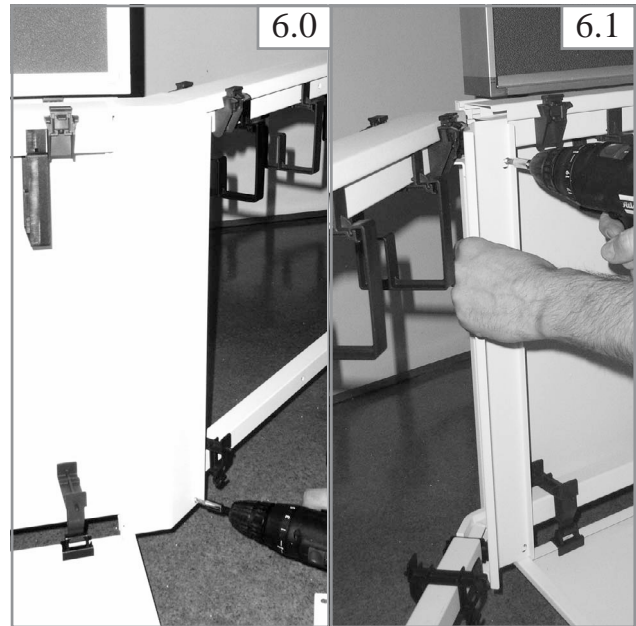

Montageanleitung - Verkettung 45°

Assembly instruction - junction 45°

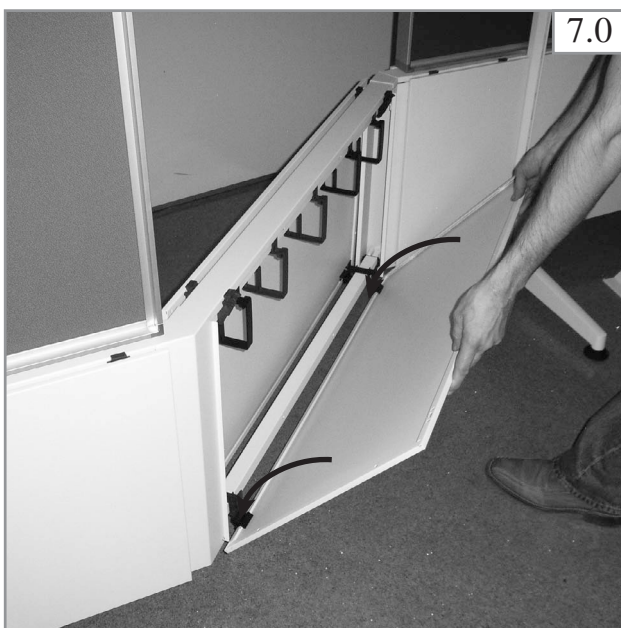

Notice de montage - liaison 45°

Verkettungsprofile in Verbinder stecken und festschrauben
Insert junction profile into connectors and screw tight.
Monter les profilés de liaison sur les connecteurs et visser.

Blenden einhängen und verschrauben aussen/innen.
Suspend covers and tighten outside/inside.
Monter et visser les caches à l'intérieur et l'extérieur

Kabelblenden einklipsen.
Attach cable covers.
Clipser les cache-câbles sur les profilés.

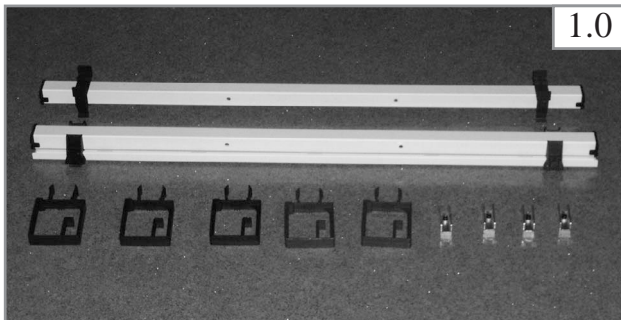

FreeWalls nivellieren.
Level out FreeWalls.
Niveler l'ensemble.

FreeWall2

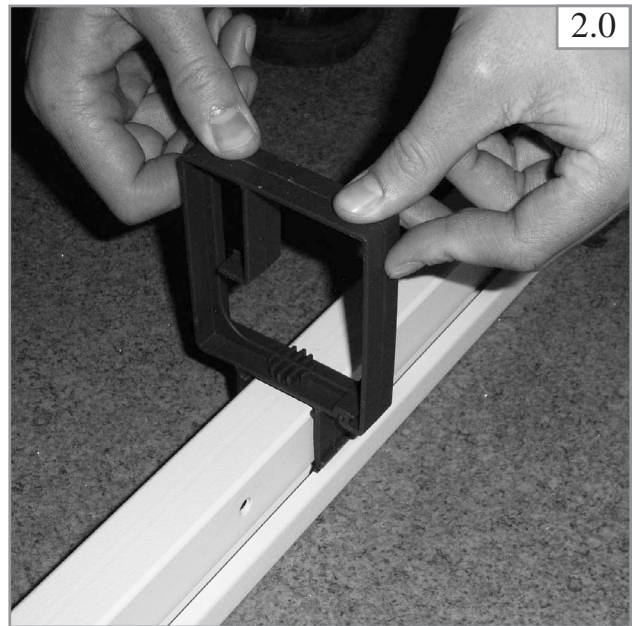

Montageanleitung - Verkettung linear

Assembly instruction - junction linear

Notice de montage - liaison linéaire

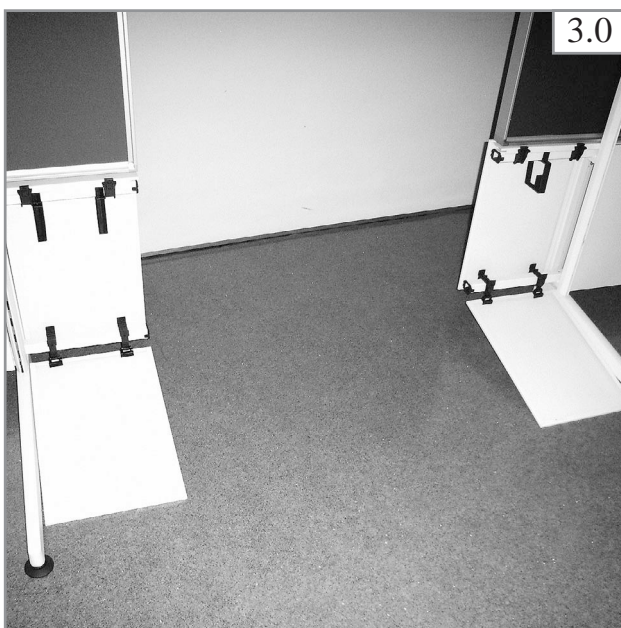

1.0

2.0

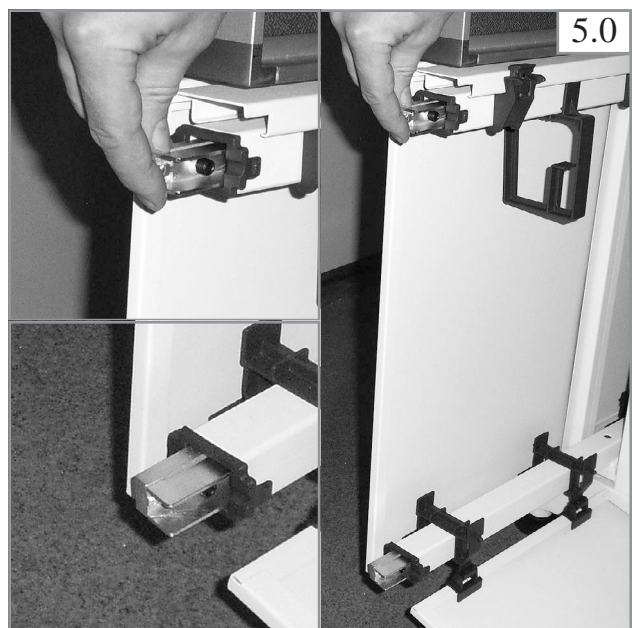

Verpackungsinhalt Verkettung linear
 Linear junction packaging contents
 Contenu de l'emballage Liaison linéaire

Kabelträger einklipsen.
 Attach cable brackets.
 Fixer les supports de câbles.

3.0

FreeWalls ausrichten und Kabelblenden öffnen.
 Align FreeWalls and open cable covers.
 Aligner les FreeWalls et ouvrir les cache-câbles.

5.0

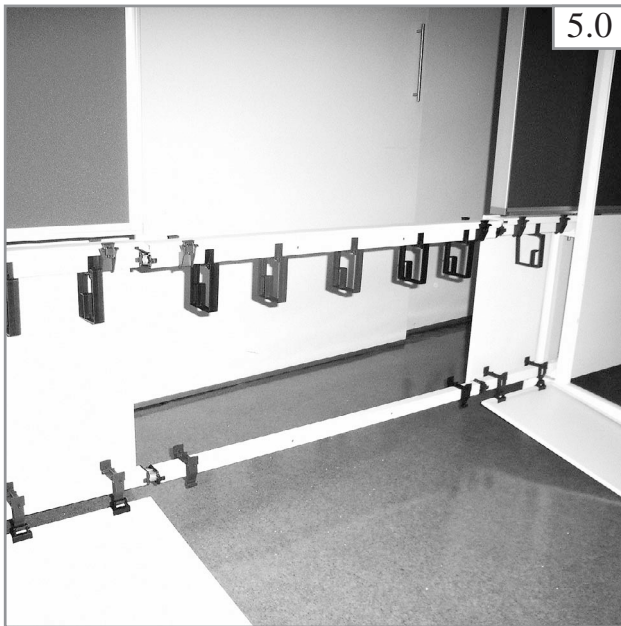

Verbinder in Profile stecken.
 Insert connectors into profile.
 Introduire les connecteurs de liaison dans les profilés.
