Moby2

Now at last there's a storage solution that's as unique as every individual's work needs. Moby2 is a **versatile, mobile** storage unit that helps you organize your workspace your way. It can be personalized inside and out with accessories that **save you time** by helping you to **organize your stuff just the way you like it.**

Moby2 is designed to help you **be more productive.** It's easy to reconfigure as your needs change throughout the day so you'll **remain effective in every work situation you encounter.** And because Moby2 is mobile, you can take it with you and **have everything you need at hand.**

But that's not all. Moby2 has a standing height work surface, which is **ideal for a laptop or as an informal meeting point.** It can also be used as a screen to **create privacy or partition an area,** helping you to **make the most of your workspace.** Plus its cool modern design looks at home in any environment. With Moby2 by your side, you'll be able to **set up your own personal office wherever and whenever you find a place to work.**

Moby2 – As individual as I am

No two Moby2s are alike because everyone's different. Moby2 **saves you precious time and increases your productivity** because it can be set up just the way you want it.

This is not a cupboard on casters...

Configure your Moby **on the inside** to suit your workstyle with smart, simple organization tools like Pull-Out Filing Frames (1/3) and drawers (2).

The HR consultant

Secure sliding door keeps personnel files from prying eyes; space for a diverse range of files and personal effects.

The product manager

Keeps key papers organized and has shelf space for A4 binders, samples and brochures, plus grab-and-go bag deposit outside.

The graphic designer

Pull-out filing frames and a secure draw for reference materials, a holder to house proofs, drawings and plans, and book-ends to secure reference books.

The accountant

Hanging files for documents and vertical space for A4 binders, a tidy drawer, a lockable sliding door and external features.

The sales person

Small, lightweight, secure configuration with shelf space for a few essential items.

The vice president

Less is more: a slim, simple configuration with a lockable sliding door for confidential documents and a hook for outdoor clothes.

Organize your entire workspace with Moby2

Moby2 is more than just mobile storage; it's also a mobile office. Moby2 allows you to seamlessly transform any location into your personal workstation with everything just the way you like it.
