Task Lighting | Personal Underline Task Light

Energy saving T2 technology
in one sleek light.

Personal Underline Task Light.

This personal task light is designed for maximum efficiency and reduced environmental impact. Its eight watts of power and electronic ballast make Personal Underline the right choice for cutting energy costs and saving money.

One look, and you'll appreciate the subtle practicality of the design. The Personal Underline is streamlined and small—yet powerful. All with renowned T2 energy efficiency. And superb optical performance. It's the perfect solution.

Obligatory and important basic feature information.
