NOTES

- Extended hand grip provides support for ingress and egress.
- Ganged units are available.
- The single chair option in the Auburn family offers greater versatility in planning a lounge grouping.
- Extended seat (bariatric) available in open wood arm and fully upholstered arm versions.
- Designed by Daniel Cramer

Auburn is another exemplary Brandrud product that demonstrates our commitment to sustainable manufacturing processes and model environmental programs. Please read our environmental statement of practices or contact us directly to learn more.
