

**A side chair to engage  
and inspire**

With its sculpted wood frame and body-conscious back and seat, Acapella is beautiful to look at and flexible enough to grace contemporary or traditional environments. Acapella is available in three models with or without arms—each chair makes a serene statement through variations in scale and line. A broad palette of upholsteries and wood finishes completes the collection's versatility.

Kimball® Office

ACAPELLA®

**Acapella marries comfort and exacting craftsmanship for timeless appeal and enduring value**

- Three back styles are available: high back, mid-back and wood top rail, each with or without arms.
- Sculpted armrests have a comfortable sloping surface to support the forearm. Arm styles on high back, mid-back and wood top rail designs are subtly different.
- Acapella's frame is made of kiln-dried maple and the contoured seat cushion rests on a webbed suspension for extra comfort.
- A full spectrum of wood finishes and upholstery options including all Kimball Office fabrics and leathers, Alliance Program upholsteries, COMs, and COLs is offered.

with arms

armless

Acapella may contribute to LEED credits. Please refer to our Environmental Data Sheets, located on [www.kimballoffice.com](http://www.kimballoffice.com), for specific details.

Acapella meets SCS Indoor Advantage Gold certification.

the BIFMA sustainability standard
