BEO®

Perfect choice

Beo has everything desired in guest seating: visual appeal, physical comfort, and dependable value. The collection is very versatile, including side chairs, tandem seating, fully upholstered lounges, and a bariatric chair, all with the same body-appropriate curves for soothing support. Tandem tables and freestanding occasional tables complete the line. Skillfully crafted by Kimball Office, Beo adds natural beauty and character to any environment.

Beo may contribute to LEED® credits. Please refer to our Environmental Data Sheets, located on www.kimballoffice.com for specific details.

Beo meets SCS® (Scientific Certification Systems) Indoor Advantage certification.

Beo is level™ 1 certified. level provides an easy way to understand how our products can contribute to your sustainability goals. level ensures a comprehensive, independent and impartial assessment of the environmental and social impacts of a product's manufacture to the BIFMA e3 sustainability standards.

Perfect complement

Defined by compact proportions, a timeless aesthetic, and inviting comfort, Beo confidently bridges traditional and contemporary interiors. It mingles easily in a variety of private and public settings, including executive offices, waiting rooms, lobbies, meeting rooms, and dining spaces. Exacting quality and a lifetime warranty further Beo's widespread appeal.

- Underscoring Kimball Office's concern for even the smallest details, Beo features angled "wall-saver" legs and a durable steam-bent beech frame.
- In-line and freestanding tables complete the collection, continuing Beo's timeless appeal.
- A wide choice of wood finishes, ranging from rich, deep shades to warm light tones, is offered.
- Upholstery options include all Kimball Office fabrics and leathers, Alliance Program upholsteries, as well as COMs and COLs.

Perfect balance

Sleek and elegant with definitive lines, Beo's thoughtful details make it more comfortable. The back has an enveloping contour to cradle the torso, while the softly sloping arms provide support from elbow to fingertip. Beo side chairs offer a choice of back styles and come in many finish and upholstery options.

- The exposed wood top rail on Beo side chairs carries through Beo's graceful aesthetic.
- Inscribed reveals where the arms join the leg uprights on Beo side chairs confer simple sophistication.
- Each horizontal slat on the ladderback is individually shaped and hand set to support the lower back.

BEO®

Beo's full complement of tandem seating and table options make it easy to design an always-neat and inviting seating arrangement for any waiting area.

- Beo one-, two-, and three-seat tandem seating and tables or starter and add-on seats can be combined in a multitude of configurations and come in full or half back styles with open arms.
- The wipe-away seat on partial back models allows for easy cleanup.
- The Beo bariatric chair fits specialized requirements in a variety of settings. It's wider—36 inches—with a more robust frame that supports up to 500 pounds.
- Beo tandem seating comes in full and half-back styles.

BEO®

Beo lounge features the same attitude, light scale, contoured backrest, and sweeping arms that made the original Beo design a perfect fit. One- and two-seat fully upholstered models have either upholstered or wood-trimmed enclosed arms. Tablet arms are available, too, for Beo lounge units — right, left or both sides for two-seaters.

- Beo lounge is available with wood arm caps, upholstered arms, or tablet arms.
- All Beo models, including the lounge, have wall-saver legs--the back legs flare slightly so they contact the wall first, saving the wall's finish and the chair's back.

Lobbies, reception areas, waiting rooms and other community spaces serve a variety of uses and users. The chairs and tables they're furnished with should be flexible and durable enough to not only support individual comfort, but also the functional needs of diverse environments. Beo tandem lounge and tandem lounge with tablet arms increase Beo's design possibilities for educational settings and informal meeting rooms alike.

- Black thermofoil tablet arms may be specified in right, left, or right and left positions on Beo lounge and tandem lounge.
- Beo tandem lounge is available with or without wood arm caps.
