

**Careful, your style—not to mention
your good sense—is showing**

With its visual appeal, physical comfort and dependable value, Beo provides everything you desire in guest seating. A full complement of side chairs, tandem seating, upholstered lounges and accent tables adds up to versatility for any environment. Timeless and functional, Beo is at home in both traditional and contemporary interiors.

Kimball® Office

BEO®

Beo® seating—a myriad of options makes it the perfect choice

- A complete line of guest seating—side chairs, tandem chairs and tables, lounges, tandem lounges, bench and bariatric chairs.
- Full variety of back styles for side chairs.
- Tandem seating and tables are capable of a multitude of configurations.
- Contoured back cradles the torso; all Beo seating has the “wall saver” frame design—the bottom of the chair’s legs contacts the wall first.
- Wipe-away seat on partial back models allows for easy cleanup.
- Coordinating in-line and freestanding tables.
- Bariatric chair is wider with more robust frame to support up to 500 pounds.
- Wood arm caps or thermofoil tablet arms are available for lounge or tandem lounge; tablet arms can be on the right or left side, or both sides for two-seaters
- Wide selection of wood finishes, dozens of fabric and leather options.

Beo may contribute to LEED credits. Please refer to our Environmental Data Sheets, located on www.kimballoffice.com, for specific details.

Beo meets SCS Indoor Advantage certification.

Beo is level™ 1 certified. level™ provides an easy way to understand how our products can contribute to your sustainability goals. level™ ensures a comprehensive, independent and impartial assessment of the environmental and social impacts of a product’s manufacture to the BIFMA e3 sustainability standard.
