

**Find your angle of repose**

Poetic in its simplicity, Carrington is a timeless classic. Its refined wood frame and balanced lines bridge transitional and contemporary design applications. The precise contouring of its slat back yields exceptional comfort. For those who prefer a softer feel, an upholstered back is available.

Kimball® Office

CARRINGTON™

**Carrington conveys elegance and sophistication throughout any environment**

- Available in two back styles and heights: upholstered or slat, mid or high. A two-seat bench with slat back completes the line.
- Carrington's kiln-dried hardwood frame is double-doweled and glued for maximum strength.
- Each slat on the slat-back model is individually shaped and hand set to form an ergonomically curved surface to cradle your back.
- Carrington can be specified with a broad spectrum of wood finishes and upholstery options, including all Kimball Office fabrics and leathers, Alliance Program upholsteries, COMs, and COLs.

Carrington may contribute to LEED credits. Please refer to our Environmental Data Sheets, located on [www.kimballoffice.com](http://www.kimballoffice.com), for specific details.

Carrington meets SCS Indoor Advantage Gold certification.

the BIFMA sustainability standard

Kimball Office products are level™ certified. level™ provides an easy way to understand how our products can contribute to your sustainability goals. level™ ensures a comprehensive, independent and impartial assessment of the environmental and social impacts of a product's manufacture to the ANSI/BIFMA e3 sustainability standard.
