

**Collage satisfies  
diverse personalities**

With three back styles and five arm options, Collage offers plenty of choices to address different expectations without sacrificing design consistency. Thoughtful details such as the slightly pitched back and curvilinear arms comfortably support the body. Available in a broad range of finishes and upholsteries, Collage visually enhances contemporary, transitional and traditional settings.

Kimball® Office

**COLLAGE™**

**Elegant and comfortable,  
Collage is a total side chair solution**

- The Collage wood side seating line features seven distinct chair models and a two-person bench. Fully upholstered back models come with rolled, arched, or sloped wood arms; wood top rail models are available armless, with arched or angular wood arms, or as a bench with arched arms. There is one slat-back model, with angular arms.
- All Collage models are built on a kiln-dried maple frame, double-doweled and glued for optimum durability.
- Collage may be specified with a broad spectrum of wood finishes and upholstery options, including all Kimball Office fabrics and leathers, Alliance Program upholsteries, COMs and COLs.

Collage™ may contribute to LEED credits. Please refer to our Environmental Data Sheets, located on [www.kimballoffice.com](http://www.kimballoffice.com), for specific details.

Collage™ meets SCS Indoor Advantage Gold certification.

the BIFMA sustainability standard

Kimball Office products are level™ certified. level™ provides an easy way to understand how our products can contribute to your sustainability goals. level™ ensures a comprehensive, independent and impartial assessment of the environmental and social impacts of a product's manufacture to the ANSI/BIFMA e3 sustainability standard.
