TECHNICAL DATA

COCOON by Claesson Koivisto Rune

A family of sofas and chairs encompassing four elements; the classically proportioned club chair and sofa and more compact tub chair and sofa. The club range has a low, open, horizontal feel, the tub range has a higher seat and back height with a smaller footprint, hence it is ideal for space saving solutions. Produced using a hard wood frame and CMHR multi density foam. Featuring an optional aluminium trim detail at the base, available in a wide range of contract fabrics or leathers.
