**FLOAT**

by Michael Sodeau

## TECHNICAL DATA

### FLOAT by Michael Sodeau

FLOAT is a simple and practical sofa system consisting of sofa and chaise. Its narrow profile gives it a visual lightness and its relatively small foot print makes it ideal for space conscious areas. Manufactured using a solid hard wood frame and upholstered with a single foam cushion, FLOAT has stainless steel tube legs and adjustable feet. The sofa and chaise are available in 2, 3, and 4 seat options.
