COMO
Pole Mounted Luminaire

Como's classic globe shaped luminaire is accentuated by a unique inverted tapered pole. Housing is precision-machined from billet aluminum, then satin anodized. The translucent matte acrylic globe provides subtle, diffused illumination. Inverted tapered steel pole with flush handhole is hot-dip galvanized prior to being finished in finely

textured paint. Pole is secured to ground mounting assembly with stainless steel socket head cap screws. All hardware is stainless steel. Standard color; matte silver grey metallic. Special colors available. See technical data sheet for details.
