NOVARA Q

NOVARA 4500 Q
Pole Mounted Luminaire

Cast aluminum and stainless steel create a synthesis of form and function in the NOVARA. Heavily finned housing and doorframe are cast aluminum. Mounting knobs

are constructed of polished high-grade stainless steel. Single or twin configurations are fitted with clear tempered glass lens. Electrical conductor is housed in

attractive braided stainless steel line. Straight round steel pole with flush handhole and mounting bracket are hot-dip galvanized prior to being finished in finely

textured paint. All hardware is stainless steel. Standard color; matte silver grey metallic. Special colors available. See technical data sheet for details.
