NOVARA S

NOVARA 4500 S
Wall Mounted Luminaire

Cast aluminum and stainless steel create a synthesis of form and function in the NOVARA. The angular heavy cast aluminum housing is punctuated by distinctive cooling fins. Doorframe and mounting knobs are constructed of polished

high-grade stainless steel. Adjustable head may be fitted with a clear, etched, or optional prismatic lens. Electrical conductor is housed in attractive braided stainless steel line. Steel wall bracket is hot-dip galvanized prior to

being finished in finely textured paint. All hardware is stainless steel. Standard color; matte silver grey metallic. Special colors available. See technical data sheet for details.
