

SALINA

Wedge-shaped cast aluminum housing with finned detailing presents a low profile. Stainless steel lens frame is fitted with clear or optional matte glass lens. Fixture may be mounted in direct or indirect position. Luminaire is finished in finely textured paint. All hardware is stainless steel.

SALINA G

Same as SALINA except luminaire includes vertical frosted glass panel. Luminaire may be mounted in indirect position only. Standard color; matte silver grey metallic. Special colors available.

Wet Location
