**MONTEGO**  
Illuminating Bollard

The MONTEGO bollard completes the product family with the same smooth domed top styling as the pole top luminaire. Top is heavy cast aluminum. Bollard shaft is heavy duty steel with flush hand

hole and hot-dip galvanized prior to being finished in high quality paint. The cylindrical clear acrylic lens with white internal louver provides low brightness illumination. All hardware is stainless steel.

Standard colors; matte silver grey metallic or black. Special colors available. See technical data sheet for details.
