SINUS

Recessed Wall Luminaire

SINUS conveys simplicity and elegance through glass and stainless steel. Luminaire casts glare free diffused illumination for general accent lighting. The tempered glass lens, with inter-

nal translucent white coating, effectively diffuses lamp image. Stainless steel trim ring is available in two styles. Lens is available in three variations; plain, striped, or textured.

Housing mounts into spun aluminum back box, suitable for through wiring. All hardware is stainless steel. See technical data sheet for details.

 Listed for Wet Locations
Suitable for use in exterior, interior, and poured concrete walls
