

BARI 130 P

Precision machined cooling grooves and natural aluminum finish make the BARI family a perfect accent to contemporary architecture. Housing with matching trim ring is machined from billet aluminum, then natural anodized. Canopy and stem are high-grade aluminum with natural anodized finish. Optional offset or integral glass disk adds a diffusing element. Hardware is stainless steel. Custom pendant lengths are available.

Model	Mounting	Lamp
BR130P	Pendant	75 / 50 Halogen
BR130PG	Pendant	75 / 50 Halogen
BR130PM	Pendant	75 / 50 Halogen
