

BARI 130 PY

3

BARI 130 W
Wall / Ceiling Mounted Luminaire

Precision machined cooling grooves and natural aluminum finish make the BARI family a perfect accent to contemporary architecture. Housing with matching trim ring is machined from billet aluminum, then natural anodized.

Canopy and stem are high-grade aluminum with natural anodized finish. Additional luminaire sizes are available, scaled to meet a variety of applications. Yoke and hardware are stainless steel. Optional low voltage model with

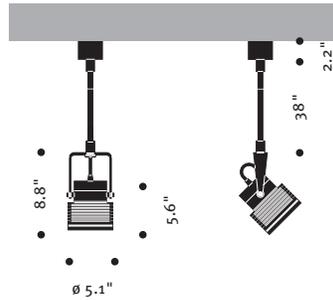

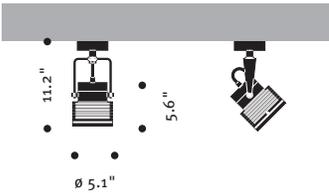

perforated stainless steel insert and remote transformer is available. Contact factory for wet location rated model. See technical data sheet for details.

 Listed for Damp Locations

BARI 130 PY
Pendant Luminaire

Same as BARI 130 W except with pendant stem, finished to match luminaire and canopy. Custom pendant lengths are available. See technical sheet for details.
