

BARI 80 PY Ω

BARI 80 W

Wall / Ceiling Mounted Luminaire

Precision machined cooling grooves and natural aluminum finish make the BARI family a perfect accent to contemporary architecture. Housing with

matching trim ring is machined from billet aluminum, then natural anodized. Canopy and stem are high-grade aluminum with natural anodized finish. Additional lumi-

naire sizes are available, scaled to meet a variety of applications. Yoke and hardware are stainless steel. See technical data sheet for details.

BARI 80 PY

Pendant Luminaire

Same as BARI 80 W except with pendant stem, finished to match luminaire and canopy. Custom pendant lengths are available. See technical sheet for details.

 Listed for Damp Locations
