

## DESCRIPTION

constans is a consistent piece that gets its strength from the solid beech. The rustic and craft effect of this armchair is made evident by the tough and compact cushions. Apart from the chair, constans is also available as a 2- or 3- seat sofa. The finishes are essential: a wide range of upholsteries in fabric, leather and vinyl, as well as any colour from our stain menu.

## TECHNICAL DATA

Solid wood structure.

The seat and back structure are fitted with NEA webbing.

The inner seat and back are made of polyurethane foam of different densities.

The inner back cushion is made with polyurethane foam covered with thermofused fibre.

Arms, feet and front are of polished and stained beech wood.

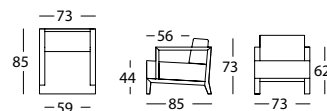

The back cushions are removable, the rest if fixed.
