

DESCRIPTION

As a complement to the Greco Plus model, the Greco BED (Bed) version is outstanding in its practicality and comfort. The measurements of the beds are: 75, 135 and 160cm. Just like the Greco Plus, an optional head rest cushion is available to increase the comfort.

TECHNICAL DATA

Solid wooden structure covered with foam.

Wooden back structure made with NEA webbing.

The bed system and slats are of beech.

Both the seat cushion and structure are made with high resistance HRD Ultracel foam covered with thermofused polyester fibre.

The inner back cushions are made of polyester silicon microfibre. The covers are 100% cotton.

The feet are of beech, stained italiano colour.

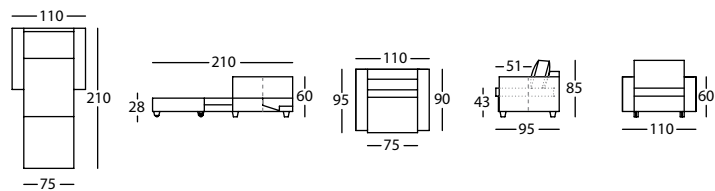

It can be upholstered in fabric, leather or synthetic leather; and only the cushion covers are
