

DESCRIPTION

The Nadadora studio offers us interesting stools and small tables the bases of which are inspired by 'trobos': a Spanish word that describes hives made from hollow logs, very typical of the northern Iberian Peninsula.

Tab is a stool with 2 different heights, and 4 tables. The base is always a curved chestnut veneer and the tops are available in chestnut veneer and in a wide range of lacquered colours.

TECHNICAL DATA

Base structure: multy-frequency pressed laminated board of chestnut veneer.

Lacquered top: MDF board.

Veneer top: MDF board chestnut veneer.
