

TEA BED

Estudi hac jmferrero 2011

SANCAL

DESCRIPTION

Tea is the first upholstered bed launched by Sancal. The back-tilt allows us to lean back in an ideal position for reading or watching TV in bed. Like their predecessors, the bed incorporates the hexagonal quilt and the possibility of creating both bi-coloured and bi-textured pieces. As a novelty, we also incorporate Steelcut upholstery by Kvadrat for unquilted areas.

Base and headboard covers are completely removable when upholstered in fabric. The inner sizes are: 90x190, 150x200, 160x200 y 180x200. The slatted bed base is included.

TECHNICAL DATA

Headboards

Wooden base with MDF board on the back covered with different densities HR Ultracel foam and fibre with felt.

Metallic strip assembly for fixing the headboard to the base with screws.

Bed

Bed structure consisting of a particleboard, reinforced with metal squares, covered with HR Ultracel and fibre with felt.

Beech feet stained wengue-plus.

The beds of 150cm, 160 and 180 incorporate a reinforcing central bar.

Slatted bed base

Steel tube 40x30 grey epoxy, with anticorrosion treatment.

System of assembling holders for slats in 3 by 3 sets, with double lumbar regulation.

Sizes 150, 160 and 180 incorporate double slats with reinforcing central bar.
