

## DESCRIPTION

Trazo is a floral explosion: a collection of tables with multiple possibilities. The glass tops can be transparent or serigraphed in red, orange, white or green. The lower surfaces are made of fibre and can be lacquered in any colour from our menu. The security glass allows the Trazo tables to be used in any kind of environment: in the home and for contract.

## TECHNICAL DATA

Stainless steel structure.

The transparent tops are of strengthened glass.

The serigraphed tops are of reversible laminated glass.

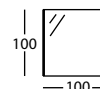

The lower surface is lacquered MDF.

It has PVC coasters.
