

We couldn't sit still when we were kids and we shouldn't sit still as adults. It's better for our bodies to keep moving. But when conferences and meetings fill our schedules, sitting can be difficult to avoid. Luckily, HÅG Wing is designed to help you move more regularly and naturally in your seat. It is also designed for heavy use, so it couldn't be better suited for all those "sit still" places – schools, universities, libraries, cafes, meeting rooms, hotels, and conference halls.
