

HÅG Capisco Puls

The skinny on HÅG Capisco Puls

Scalability

- Ergonomic saddle seat is available with partially upholstered or fully upholstered seat pad
- Available backless or with a uniquely-designed back that supports the torso and provides perfectly-placed resting spots for arms
- Black or silver frame
- Choose between an aluminum base with curved/arched footplate in black or silver, or a nylon base with curved/arched footplate in black or blue

Imbedded Functionality

- Integrated footplate keeps you balanced, comfortable, and on the move
- Unique back design supports many sitting positions while encouraging movement and variation

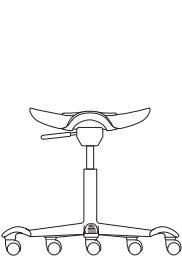

Modernist Principles of Simple Intuitive Design

- Designed by Norwegian designer Peter Opsvik, who is known for developing the ergonomic principles that HÅG continues to build its business on today.

Human Centered

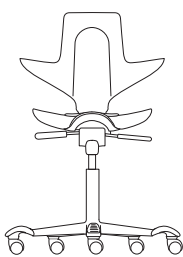

- A saddle-inspired seat design promotes a natural, active sitting position
- Various pneumatic lift ranges support seated, sit-to-stand, and standing height work preferences
- Seat depth and back height adjustments tailor comfort to specific users, as do the backward tilt tension adjustment and two-position tilt lock
- Design includes not just support for your seat and back, but for your feet too, in the integrated footplate
- Meets or exceeds ANSI/BIFMA standard
