

EDGAR II

(Designer B.Fattorini)

An armchair and sofas

Frame

In solid wood, suspension with elastic belts, covered with indeformable variable-density polyether.

Stand in chromium-plated tubing with angles of chrome brass casting, height 7 cm.

Seat cushions in polyether; backrest filled with down in stitched sections and polyether. All sofas have two seat cushions and two backrest cushions.

Cover

The upholstery covers every part of the sofa and is completely removable.

The cotton underlining makes removing the cover easier and the product maintains its good looks even when uncovered.

Optional extra covers if required.

The units in leather have a fixed cover only and, at MDF Italia's discretion, may have seams on the back and on the front section.

For the choice of upholstery, please see the table on page 1.61 and the section "fabric collection" on the website.

With customer's own leather, in order that the product is properly manufactured, the leather piece must be larger than 5 sqm and with no defects, such as scars or holes.

CUSHIONS

Loose cushions

In solid colour with down filling covered with cotton. This makes removing the cover easier and the cushions maintain their good looks even when uncovered.

Extra covers available.

Dims: 30x50 cm, 40x40 cm o 55x55 cm

Sets of cushions

Sets of decorative cushions for the sofa collection.

Upholstered with fabrics that, though different in weft and composition, maintain a pleasant uniformity in colour:

- fabric Quarzo white
- fabric Florite ochre
- fabric Galena sand
- fabric Pirite brown/grey

Each set is composed of 4 square cushions in down.

The dims are 45x45 or 55x55cm.
