

A modern dining area featuring a glass-topped table and black chairs with chrome legs. The room has large windows overlooking a green landscape and a building. A large, patterned pendant lamp hangs above the table. The floor is covered with a light-colored rug.

QUANTA®

*Design Maximization by: Roberto Lucci*

## **QUANTA® THE CHAIR THAT BENDS BACKWARD TO PLEASE YOU.**

The Quanta chair is more than an eyeful. It's a modern marvel of engineering. Its rubber suspension system allows movement on both the seat and back as the user switches position, thereby increasing comfort over long periods of time. Its clean, sophisticated lines make it perfect for a myriad of settings—training rooms, conference rooms as well as classrooms and cafes.

### **TABLETS**

A sleek and light design, solidly constructed to stand up to the toughest demands.

### **ELEMENTS**

The split in the back and flat-black buckle are sophisticated design elements that elevate the chair's aesthetic no matter which direction you view it from.

### **BASES**

Quanta is available in a 4-leg base with and without casters, and a 5-star swivel base.

If you're looking for new ideas and  
inspiration, you've come to the right place:
