Basis Media Wall

The **Basis Media Wall** provides an architectural presence to the modern conference room environment. The Media Wall is composed of three elements, a left hand, center and right hand cabinet, each offering a separate functional attribute. These cabinets are each offered in one standard configuration and finish and are not interchangeable.

Media Wall installation requires the attachment of units to wall via included wall cleats. Securing of units to the wall is the responsibility of the owner.

Mounting hardware for flat screen is not included.
