

SEATING PRODUCT SPECIFICATIONS

The following specifications relate to all Decca seating products. For further technical specifications please contact your sales representative or the factory.

CHAIR FRAMES

All standard Decca finishes are available on any frame.
Not all species accept stain in the same fashion.
Decca finishes are full filled and topcoated with modified polyurethane and are heat, stain and wear resistant.
Special finish matching will incur a 10% upcharge.

CHAIR BASES AND MECHANISMS

All bases are five legged. Adie cast aluminum black base with a tilt mechanism is standard unless specified otherwise.
A wood base finished to match the frame with tilt mechanism is optional.

COM (Customer's Own Material)

COM orders will not be entered until the COM fabric has been received by Decca.

COL (Customer's Own Leather)

COL please call the factory to confirm the square footage required. The order will not be entered until the leather has been received by Decca.

When submitting a COM/COL order, we require the following:

1. Fabric description
2. Fabric source
3. Fabric color
4. A swatch of the covering
5. Special application instruction

STANDARD VERTICAL APPLICATION

The application of fabrics with stripes or patterns will be vertical unless otherwise noted on the purchase order.

SPECIAL CODE COMPLIANCE

Unless otherwise specified, foam used in all seating products complies with CAL-117

Please contact Customer Service if compliance is required for the following codes:

BOSTON FIRE CODE

CALIFORNIA TECHNICAL BULLETIN 133*

NEW YORK PORT AUTHORITY

Shipping Address: **Decca Furniture Ltd.**

**2/F., Decca Industrial Centre,
21 Cheung Lee Street, Chai Wan,
Hong Kong**

All COM / COL's must be tagged with a Decca contract job number. Call customer service to get the job number(s).

COM FABRICS

The following factors must be used when COM fabrics supplied are narrower than 54" and with horizontal pattern repeat.

Add these percentages to the COM yardage requirements shown for each model.
