

Telepresence is here and Nevers has the tables  
to support this exciting new technology.

**SMART. REAL SMART.**

Nevers Telepresence tables are part of our family of *smart tables* which have been designed and engineered to specifically support technology-rich meeting environments.

**LOTS OF CHOICES.**

Available in 4 sizes and your choice of edge details, as well as 23 standard wood finishes, 19 FSC finishes, Bamboo, Marmoleum or Wilsonart® laminate top surfaces.

The Nevers Telepresence Table Collection has been designed to support any high definition video conferencing requirement from single screen "touchdown" rooms to full three screen Telepresence installations.
